Griffiss Business & Technology Park encompasses 3,500 acres. Its urban atmosphere is complemented by the benefits afforded by the adjacent cities of Rome and Utica, and the beautiful setting of the surrounding Mohawk Valley area.

In 1995, Griffiss Business and Technology Park was a master plan with great potential. Today, this vision has been transformed into reality. Scores of tenants employing thousands of people make Griffiss one of the most successful business and technology parks in the United States.
